Lent Season

Let's think of the beautiful passage of the healing of the paralytic at Capernaum. What a wonderful example of healing! Christ's action is a direct response to the faith of those people, to the hope they put in Him, to the love they show that they have for each other. And so, Jesus heals, but He does not simply heal the paralysis. Jesus heals everyone, He forgives sins, He renews the life of the paralyzed man and his friend. He makes him born again, let's say it that way. It is a physical and spiritual healing, all together, the fruit of personal and social contact. Let's imagine how this friendship, and the faith of all those present in that house, would have grown thanks to Jesus's action, that healing encounter with Jesus!
